Hello,

With our new location, I wanted to give everyone some directions to where to park at Evergreen, and how to get to the pool.

So, first off, we are at Evergreen State College. You will get off on Evergreen Parkway, off Hwy 101.

When you get to the large roundabout, take the left. You will want to park in Parking Lot C at Evergreen State College. This is the first parking lot on the right hand side, and then park at the furthest corner from where you entered.

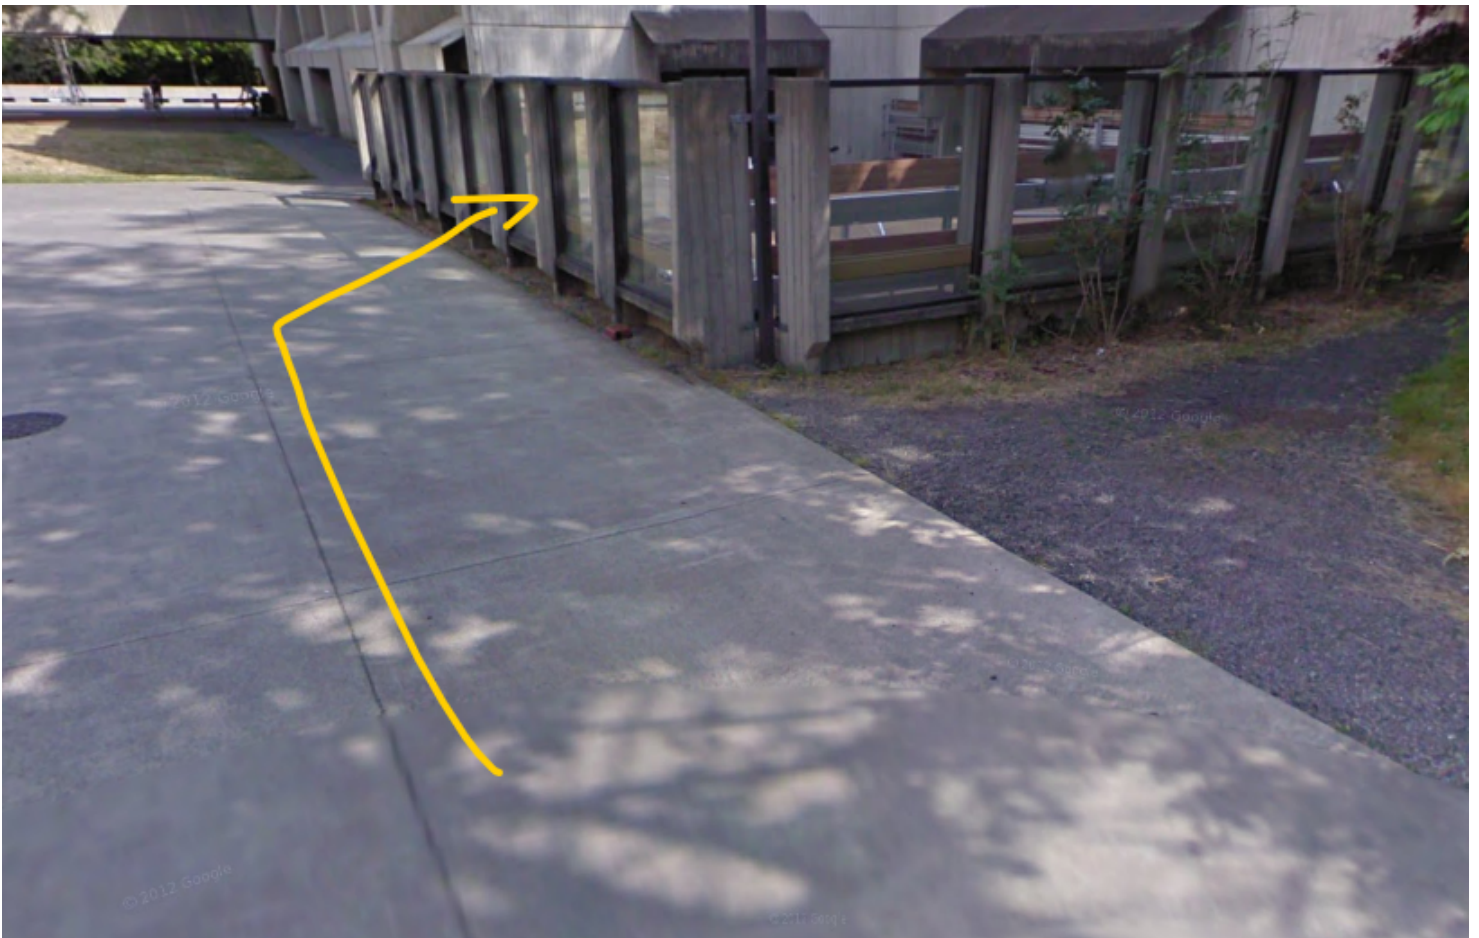

Alternatively, you can put this exact link into Google Maps, and it will get you to the exact location where you will want to park and start walking towards: <https://maps.app.goo.gl/8wZ5Bskzij7tZm2s7>

Go down the ramp, and towards the left.

From here, you will walk down the path PASSED the communications building on your right.

Now, the area will open up into a large amphitheater. Stay to the left, and you will see a large glass fence surrounding a sun deck. This is where you will enter the pool area.

We will have large yellow signs pointing towards the meet as well.

You can also put this location in to google maps once you've parked, and it will walk you right to the location: <https://maps.app.goo.gl/sCeSQ5WwVFJxRLbPA>

There are dressing areas and bathrooms both upstairs and downstairs. There is much more deck space (you won't need to bring your own chairs, but you can still feel free to do so), and also more lanes. We will most likely

still run it as a 6 lane meet, given less entries this year, but that will allow us to have more warm-up and cooldown lanes that will be open for the entire meet.

We also have a superior timing system at this new facility, as well!

Feel free to email me with any questions, and excited to see you all there Sunday!
